

 putterman athletics TOP RAIL FENCE PADDING

SafeGard™ & FoamGard™ Top Rail Fence Padding

**Protect Players. Enhance Facilities.
Elevate Your Brand.**

Putterman Athletics' SafeGard™ and FoamGard™ top rail padding systems provide durable protection for exposed fence rails, posts, and hard fence edges. They create a safer playing environment while delivering a clean, professional appearance for pickleball, tennis, baseball, softball, and general athletic facilities.

SafeGard and FoamGard premium padding solutions help reduce impact-related injuries, improve aesthetics, and provide valuable branding opportunities for youth to professional venues.

**Professional-Grade Fence Protection.
Proven Performance.**

SafeGard™ Rail Padding System

Maximum Protection for High-Impact Areas.

SafeGard™ delivers superior impact absorption for facilities seeking the highest level of player protection. Constructed with high-density foam and a durable, weather-resistant vinyl cover, SafeGard provides a substantial protective barrier along any to rail and fence poles where player contact is most likely to occur.

The tubular foam pieces are pre-slit for easy installation, and the covers are attached on the underside with grommets and standard tie-wraps (*not included*).

Features & Benefits

- Premium foam construction
- Superior impact absorption
- Durable UV, weather-resistant exterior cover
- Ideal for indoors & outdoors
- Fits wide range of chain-link fence configurations
- Multiple colors & custom graphics available

FoamGard™ Top Rail Padding

Economical Safety Solutions.

Protect your players and fan alike from unwanted abrasions and injuries. FoamGard™ offers a cost-effective solution for facilities seeking dependable top tail protection and an improved appearance.

Lightweight, durable, and easy to install, FoamGard helps cover exposed fence rails while enhancing player safety.

Features & Benefits

- Lightweight foam
- Durable construction suitable for outdoor use
- Simple installation and maintenance
- Economical solution for budget-conscious programs
- Available in Black
