CONVENIENCE ON THE TENNIS COURT PUTTERMAN PROVIDES COMPLETE COURT ACCESSORIES SOLUTION FOR MIDTOWN ATHLETIC CLUB

Midtown Athletic Club began as a single tennis club in Chicago and has grown to become a leader in the upscale tennis and fitness club industry. **Since 1970 we have partnered with the Midtown Tennis Club** and the facilities it manages.

Tennis is referred to by many as the “sport for a lifetime” It is a fun and challenging sport. But there are many factors and accessories both on and off the court that can make a great addition to any tennis court and help players take their game to the next level.

After 50 years our friendship with the Midtown Athletic Club is better than ever. In that time, we have had the privilege of implementing **a complete tennis court accessory solution including tennis nets, posts, padding, court divider netting, and backdrops.**

When it comes to our custom court accessories the possibilities are almost endless including **windscreens, netting, backdrops, padding, custom-designed, and printed graphics, and more.** It’s simply a case of how far to go. However, if you’ve seen it in an athletics facility, chances are we manufacture it. **The same is true for our complete line of tennis nets, posts, court seating, cooler stands, and tidy court units.**

In Midtown’s continued efforts to lead the industry, they recently upgraded all their cable suspended backdrops to a modern and efficient track system showcasing their commitment to innovation! We here at Putterman Athletics look forward to continuing to strengthen our tradition of collaboration and innovation with the Midtown Athletic Club for decades to come and look forward to building that tradition with you.
